Gurugram | November 01, 2024: Hyundai Motor India Limited (HMIL), registered total sales of 70,078 units (Domestic: 55,568 units and Exports: 14,510 units) in October 2024, achieving both its 3rd highest domestic sales and 3rd highest monthly total sales numbers since inception. HMIL achieved total (Domestic plus Exports) YTD sales (Jan-Oct 2024) of 6,47,789 units.

Commenting on HMIL sales, Mr. Tarun Garg, Whole-time Director and Chief Operating Officer, HMIL said, “We witnessed a strong demand for our SUV portfolio during festive period, leading to our highest-ever monthly SUV sales at 37,902 units, including highest ever monthly domestic sales of the Hyundai CRETA at 17,497 units. SUVs remain a cornerstone of our lineup, representing an impressive 68.2% of our total monthly sales in October 2024, with similar penetration in urban as well as rural markets. This strong demand underscores the broad appeal of our SUV line-up and our commitment to delivering quality and performance to all our customers. We continue to bolster our CNG penetration and HMIL’s innovative Hy-CNG technology has helped us achieve highest ever CNG sales volume of 8,261 units thereby contributing 14.9% to domestic sales volume in October 2024. We wish all our customers joyous festivities.”
