

KONA

The all-new KONA

With the new, future-oriented design and excellence that goes beyond traditional boundaries, KONA brings you a whole new level of experience.

Exterior

The exclusive exterior of KONA is completed with dynamic contours, future-oriented design and refined details in contrast to its sleek look.

Inspiration (Mirage Green)

Horizontal LED lamp (seamless horizon lamp), Full LED headlamps (projection type) & LED turn signal lamps, dark gray bumper/cladding/side molding, 19-inch alloy wheels & tires

Front design (metal paint front garnish, front silver skid plate) integrated spoiler

Dual tone roof, beltline chrome molding

Spoiler-integrated auxiliary brake lamp, horizontal LED tail lamps, LED brake lamps, LED turn signal lamps

Black Exterior

Black details on key exterior elements showcase the sophisticated feel and powerful presence of this urban SUV.

Inspiration Black Exterior (Abyss Black Pearl)

Black Exterior-exclusive Design Features (Black wheels, Body-color Cladding, Radiator Grille Molding, Bumper Molding, Beltline Molding, Skid Plate, Spoiler, and Emblems)

Front Emblem, Radiator Grille and Bumper Molding, and Skid Plate

Black wheels, Body-color Wheel Arches and Side Cladding

Rear Emblem, Bumper Molding, and Skid Plate

Inspiration (Sage Green Color Package)

Panoramic display (12.3-in LCD cluster, 12.3-in navigation), ambient mood lamp, dual full auto air conditioner (auto defog/air purification sensor/air purification mode/after blow included)

※ Infotainment system screen images may differ after updates.

Interior

High-tech interior features added to the slim and wide horizontal layout creates a unique atmosphere.

Electronic Shift Column

Open Console Storage Box (removable bulkhead/rotating cup holders)

1st Row Relaxation Comfort Seats

Space

KONA offers a practical and ample space for the driver and passengers.

Inspiration (Sage Green Color Package)

2nd Row Space

The improved wheelbase and overall height of the new platform secure a roomier 2nd row space (headroom/legroom/shoulder room). A smarter space with various convenience features for rear passengers.

Full Folding 2nd Row Seat Backs

The full-flat 2nd row folding seats offer a roomier and private space as well as ample luggage space.

2nd Row 2 Level Latch

The reclining rear seats provide more comfort for adults and long-distance travelers.

Performance

Enjoy a comfortable ride with KONA's stable driving performance.

Smartstream Gasoline 1.6 Turbo

198

Max. Engine Power

18.3

Max. Torque
kgf·m/4,500rpm

13.6

Combined Fuel Economy
km/ℓ(based on Smartstream IVT, 2WD, 17-inch tires)

3rd generation platform

The 3rd generation platform offers enhanced crash safety and performance of the suspension, and maximized space efficiency.

HTRAC

KONA's electronic AWD provides optimal driving performance through actively distributing driving force to the front and rear wheels according to various driving situations.

Minimized Wind Noise

Double-glazed sound insulation glass (windshield) and side view mirrors with cut-line seals minimize wind noise and improve noise shielding.

Enhanced Road Noise Reduction

Floor-carpet-under-pads reduces the inflow of external noise, and the rear wheel member bushing minimizes inflow of road vibration.

Function

KONA's cutting-edge technology and convenience features that go beyond its vehicle class bring you a whole new level of driving experience.

Digital Key 2 Touch

Controls door locking/unlocking and ignition with iPhone, Apple Watch, and Android smartphones, i.e., Samsung smartphones. Pairs with up to fifteen devices for easy access.
* Visit Hyundai's website for the list of devices compatible with Digital Key 2 Touch.

OTA Software Update

An available latest version of software is updated wirelessly upon user's approval when parking and turning off the ignition.

ccNC: connected car Navigation Cockpit

The panoramic display catches a consolidated graphic theme by integrating the cluster display and navigation, and offers various features such as natural language-based voice recognition, media streaming, and real-time navigation.

Smart Power Tailgate (Away Close Tailgate)

The tailgate opens automatically when the driver approaches the rear of the vehicle with the smart key for easier loading of luggage. The tailgate opening height can be adjusted according to the height of users and loading conditions.

Built-in Cam 2

KONA comes with high-resolution front and rear cameras with excellent day/night image quality. The system also features voice recording, large external memory, OTA functions, and vehicle driving information storage and playback functions (map links, etc.). It also provides parking mode shock detection, transmission of stored video, and built-in cam status information through BlueLink.

Surround View Monitor

For safe parking, a high-definition camera and digital image transmission feature deliver clear images of the surrounding

After Blow

After Blow reduces residual condensation in the AC by ventilating the cabin when the ignition is turned off mitigate the unpleasant odor.

* After Blow requires setting on the infotainment system.

Hybrid

KONA Hybrid delivers high efficiency through an optimized hybrid system including the EV mode for different driving conditions and engine/motor operation control.

Smartstream Gasoline 1.6 Hybrid

141 Max. System Power
PS(gasoline engine : 105PS, electric motor : 32kW)

14.7 Max.Engine Torque
kgf-m/4,000rpm

170 Max.Motor Torque
Nm

19.8 Combined Fuel Economy
km/ℓ(based on 6-speed DCT, 17-inch tires, without built-in cam)

Inspiration (Ecotronic Gray Pearl)

Hybrid-exclusive e-Motion Drive system

e-Dynamic Drive_ Uses the drive motor to effectively control braking, shifting, and torque during sharp cornering to deliver uninterrupted acceleration and cornering stability.

e-Comfort Drive_ Controls the motor to minimize vehicle sway when going over speed bumps for a comfortable and stable ride.

Multi-link Rear Suspension

The suspension delivers a comfortable ride during daily driving and provides stability during sporty, high-speed driving and cornering through improved traction, shock dispersion, and minimized vibration.

Smart Regenerative Braking 2.0

It uses forward traffic flow and navigation information to automatically adjust the amount of regenerative braking to slow down. This minimizes unnecessary braking and accelerating thereby increasing energy efficiency and reducing driving fatigue.

Hybrid Exclusive Features

Hybrid exclusive features including vehicle driving and fuel economy information, energy flow charts, and the ECO driving mode offer a pleasant and smart experience.

Active Air Flaps

The upper and lower active air flaps of the radiator grill reduce unnecessary air inflow to minimize air resistance and improve fuel economy. (Upper: external / lower: built-in)

N Line

Experience the dynamic and stylish driving of the Kona N Line, just like the high-performance of N.

N Line-exclusive Front Bumper

The sporty bumper design of the N Line-exclusive mesh style radiator grill conveys a high-performance vibe.

N Line-exclusive 19-Inch Alloy Wheels / Body Color Cladding

The diamond-cut wheel design exclusive to the stylish N Line accentuates its strong and dynamic image.

N Line-exclusive Wing-type Rear Spoiler

The luxurious, sporty design of the rear spoiler delivers a dynamic image and provides improved aerodynamic performance during high-speed driving.

N Line-exclusive Single Twin Tip Exhaust

The exclusive rear design of the N Line, which lowers the visual center of gravity, creates a more sophisticated sporty look.

N Line-exclusive Authentic Leather/Alcantara Combination Seats

The N logo and Alcantara seats with Alcantara suede provide a differentiated and luxurious vibe.

Hyundai SmartSense

Hyundai Smartsense is an advanced driver assistance system that ensures a safe and convenient driving and parking experience.

Forward Collision-Avoidance Assist

Alerts the driver if the vehicle ahead is slowing down too quickly or if there is the potential for a forward collision with stationary vehicles, pedestrians, cyclists ahead, or approaching vehicles on the road, and activates the brakes in the event of an impending collision. Forward Collision-Avoidance Assist also brakes automatically to avoid an impending collision with vehicles or cyclists ahead on the road or approaching from either side while making a left turn at an intersection.

Highway Driving Assist

Helps maintain a safe distance on the highway from the vehicle in front, steering the vehicle so it remains centered within its lane even on the curved sections of the road at a speed preset by the driver.

Lane Maintenance Assist

Helps with steering to keep the vehicle within the chosen lane.

Navigation-Based Smart Cruise Control

(on safe driving zones and curved sections of the road)

The Smart Cruise Control ensures safe driving by automatically adjusting the vehicle speed according to road conditions on highways.

- Safe driving zones: Reduces vehicle speed automatically when entering
- Exiting safe driving zones: Resumes back to its original speed automatically
- Curved sections: Reduces vehicle speed properly when entering
- Exiting curved sections: Resumes back to its original speed automatically

※ Since the advanced driver assistance system (ADAS) is a function that assists the driver's operation, always drive with caution. ※ The function may not operate smoothly or properly depending on the surrounding environment and driving conditions. In addition, the function may operate with restrictions depending on the regulation related to the certification of the advanced driver assistance system. For details, refer to the owner's manual. ※ The above specifications are applied differently depending on the trim, powertrain, and specifications directly selected by the vehicle purchaser in consideration of price and preference.

Remote Smart Parking Assist

It assists the driver in parking the vehicle by driving and reversing with the smart key from outside the vehicle.

Rear Collision-Avoidance Assist (Forward Parking Assist)

Alerts the driver of the potential for a collision from the rear when the turn signal indicator is switched on for lane changes. The system also helps the driver activate the brakes in the event of an impending rear or side collision when pulling away forward from a parallel parking space.

Rear Cross-Traffic Collision Prevention Assist

Monitors areas to the left and right when the vehicle is in reverse and alerts the driver of any approaching traffic on either side. The brakes activate automatically, if necessary, to avoid an impending collision.

※ Since the advanced driver assistance system (ADAS) is a function that assists the driver's operation, always drive with caution. ※ The function may not operate smoothly or properly depending on the surrounding environment and driving conditions. In addition, the function may operate with restrictions depending on the regulation related to the certification of the advanced driver assistance system. For details, refer to the owner's manual. ※ The above specifications are applied differently depending on the trim, powertrain, and specifications directly selected by the vehicle purchaser in consideration of price and preference.

※ Curb weight (C): Curb weight of certified fuel economy with specifications of the supplement battery included in the Built-in Cam.

Maintain a constant speed to drive more efficiently.

-The above fuel economy was calculated based on standard driving conditions. Actual fuel efficiency may vary depending on road conditions, driving styles, cargo weight, maintenance conditions, and outside temperatures. -Some of the photographed vehicles in this brochure depict optional features for illustrative purposes and may differ from the actual vehicles. -The features, colors, and specifications stated in this brochure are subject to change based on improvements in the vehicle's exterior or performance. -The above engine performance data is based on the net value, which is a legal requirement applied by the Ministry of Land, Infrastructure and Transport from 1997 onwards. To produce the data, an advanced measurement method that takes into account the resistance of vehicle emissions was used. This method may generate results slightly lower than those generated by existing methods based on the gross value. -The leather upholstery partially consists of synthetic leather. -The vehicle colors printed in this brochure may differ from the actual colors. -Hyundai Motor vehicles are sold at prices uniformly applied for the same products everywhere across the country to promote fair business practices. -Use of engine oil or fuel that is of low quality may result in damage to the vehicle. -Please refer to the owner's manual for details about new technologies and features stated in this brochure.

KONA Hybrid Warranties

Warranty for Hybrid parts

10-year/200,000 km warranty
- Electric motor, Hybrid high-voltage battery, HPCU (Hybrid Power Control Unit)

※ The benefits offered through the warranties above may be subject to change.
※ Contact a branch or dealership for details.

Images in this brochure are intended to enhance customer understanding and focus on high-end models and optional features. The features introduced herein may vary by trim model, package, powertrain, and exterior color. Please refer to the monthly price table for more detailed features specific to each model.
