Next-generation infotainment system

Pleos Connect

A next-generation infotainment system designed to lead the SDV era and deliver new value to customers. Powered by OTA updates and AI technology, it delivers an ever-evolving mobility experience.

* Infotainment system display may change depending on updates. * The image shown is for illustrative purposes only and may differ from the actual product.

While parked

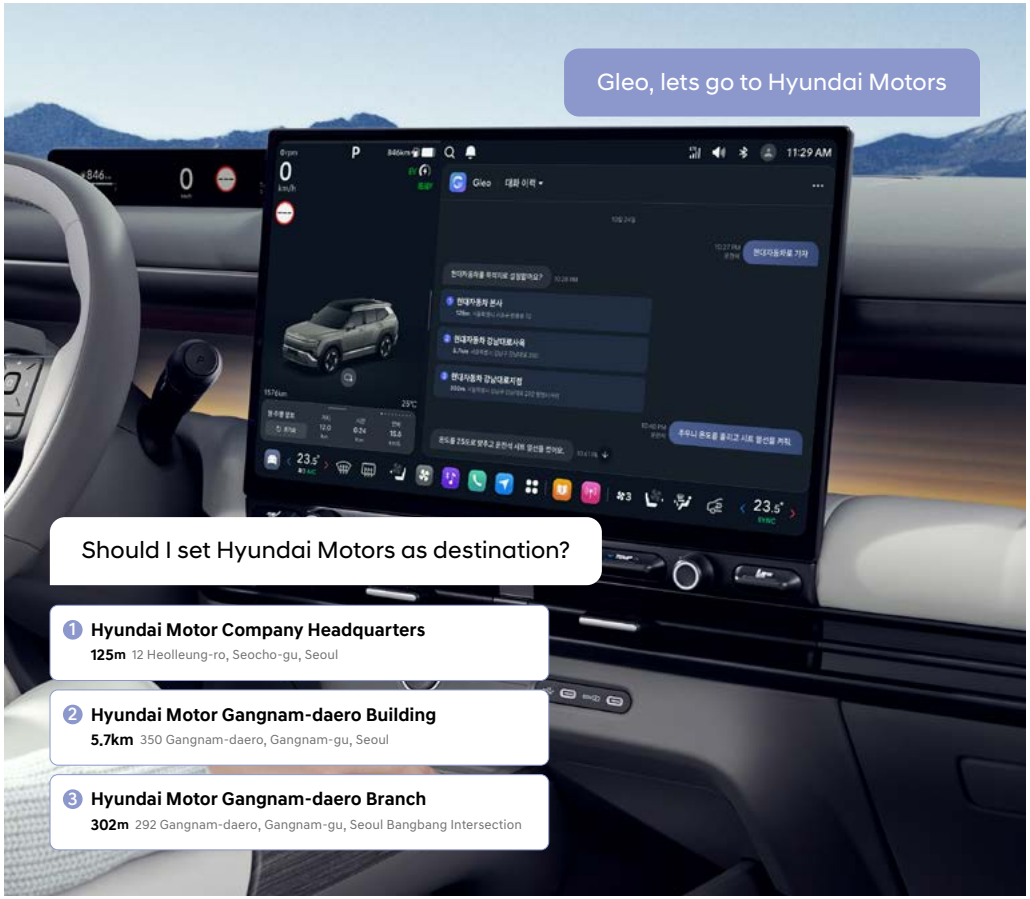

App Market

Download a variety of apps and experience an ever-expanding range of services.

* Infotainment system display may change depending on updates.
* The image shown is for illustrative purposes only and may differ from the actual product.

Like a natural conversation

More on
Pleos Connect

Gleo AI

The AI agent Gleo AI understands the user's situation and context to provide necessary information conversationally, and helps users naturally access various functions, such as setting destinations and controlling the climate.

While driving

Driving Experience

From the driving information screen to the large navigation display,
it's with you every moment of your drive.

After connecting

Android Auto, Apple CarPlay

Key smartphone functions such as navigation, music, and calls
can be conveniently continued in the vehicle.

* Infotainment system display may change depending on updates. * The image shown is for illustrative purposes only and may differ from the actual product.

Control

Quick Control

Frequently used functions can be intuitively accessed and easily controlled.

Soft key-based controls

Bottom Bar

Frequently used functions including climate control, and App Market applications can be arranged according to the driver's preferences.

Climate and key function controls

Music, phone, and other app shortcuts

Driving information display

Like a traditional cluster, it always displays essential driving information such as speed, warning lights, and fuel or energy efficiency, while vehicle functions can be activated and controlled with simple screen touches for intuitive usability.

- 3D — Immersive 3D driving view
- Vehicle & driving Information at a glance

App Screen

This area allows you to freely access and explore navigation, media, vehicle controls and settings, and various content. Two different apps can be run simultaneously in a split-screen layout, while media content can be enjoyed in full-screen mode.

- Android Auto, Apple CarPlay
- 3-finger gesture

* Infotainment system display may change depending on updates.
* The image above shows the central display with the 'Dark Theme' applied.
* The image shown is for illustrative purposes only and may differ from the actual product.

Exterior

Bold volume and sophisticated details infused with Art of Steel create TUCSON's commanding presence.

More on Exterior

Inspiration (Driftwood Gray Matte)

* 'Art of Steel' is Hyundai Motor Company's exterior design language that transforms natural resilience of steel into sculptural beauty.

Full LED headlamps (THIN projection type, including Intelligent Front-Lighting System) / Front LED center lamp

Roof rack

20-inch alloy wheels

LED rear combination lamps / Rear LED center lamp

Interior

Lever-type Shift By Wire

9.9-inch Slim Display

Double D-cut steering wheel

Pleos Connect 17-inch

XRT

Building on its rugged character, it achieves even bolder styling.

More on XRT

XRT (Redrock Orange Matte)

XRT-exclusive design
Rugged front and rear design completes the XRT's unique strong identity.

Exclusive 18-inch black alloy wheels
Exclusive 18-inch black alloy wheels and wheel arch cladding with a forged carbon-inspired pattern complete XRT's strong presence.

Synthetic leather seats (including exclusive logo)
The synthetic leather seats with an exclusive logo add a distinctive touch unique to XRT.

Metallic door scuff plates
Elevates the durability and finish of the entry and exit area,
with metallic material adding a sophisticated touch to the interior.

Hybrid

More on Hybrid

Stay Mode
Key convenience features, including climate control, entertainment, and mobile device charging, can be used with power from the vehicle battery, without starting the engine.

e-Ride Gen1 (Electrically Controlled Ride Comfort Gen1)
Motor minimizes vehicle movement when passing over a speed bump, delivering a comfortable and stable ride.

e-DTVC (Electric Dynamic Torque Vectoring Control)
Precise brake and motor control through sharp corners provides stable handling and confident driving performance.

* Stay Mode cannot be activated if any of the following conditions are met: battery charge is below 35%, the low fuel warning is on, the battery main relay is off, or the vehicle is not in Park (P).
* Infotainment system display may change depending on updates.

Inspiration (Driftwood Gray Matte) / Hybrid Inspiration (Ecotronic Gray Pearl)

Smartstream Gasoline 1.6 Turbo

193 **Max. Power(PS)** 6,000rpm

27.0 **Max. Torque(kgf·m)** 1,700~4,500rpm

Smartstream Gasoline 1.6 Turbo Hybrid

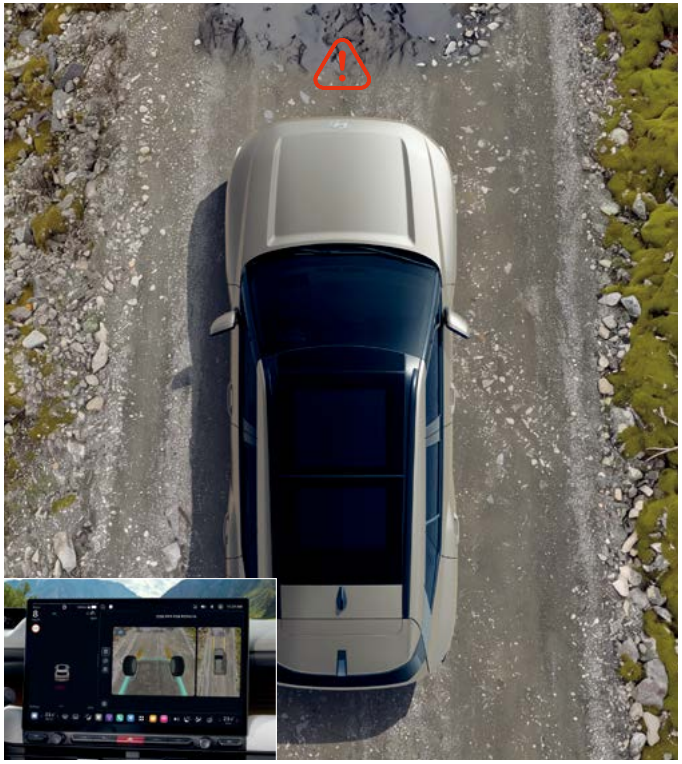

245 **Max. System Output(PS)** (Gasoline engine : 180PS, Electric motor : 47.7kW)

27.0 **Max. Engine Torque(kgf·m)** 1,500~4,500rpm

250 **Max. Motor Torque(Nm)**

Driving

More on Driving

Ground View
The screen displays the ground around the vehicle, enabling confident driving on rough terrain.

Memory Reverse Assist
Based on the path taken into a narrow space, steering is automatically controlled while reversing by following the recorded path, to support stable and precise maneuvering.

*Ground View feature is available when selecting AWD model.

Surround View Monitor (transparent vehicle display)
Four wide-angle cameras provide multi-angle views of the vehicle's surroundings,
with five view modes and a transparent underbody display for intuitive visibility of blind spots.

* Infotainment system display may change depending on updates.

Pedal Misapplication Safety Assist
When sudden acceleration caused by pedal misapplication is detected
after starting from a stop, the system detects nearby obstacles,
limits acceleration, and applies emergency braking to mitigate collision damage.

9 Airbag system (1st-row advanced/center side, 1st-/2nd-row side, and rollover-resistant curtain airbags)
With a 1st-row center side airbag, 1st-row advanced airbags,
and 1st-/2nd-row side and rollover-resistant curtain airbags,
occupants are protected with enhanced safety.

Hyundai SmartSense

Front Collision-avoidance Assist

Highway Driving Assist 2

Lane Following Assist 2

Blind-spot Collision Warning (driving),
Blind-spot Collision-avoidance Assist (forward exit/driving)

Navigation-based Smart Cruise Control 2

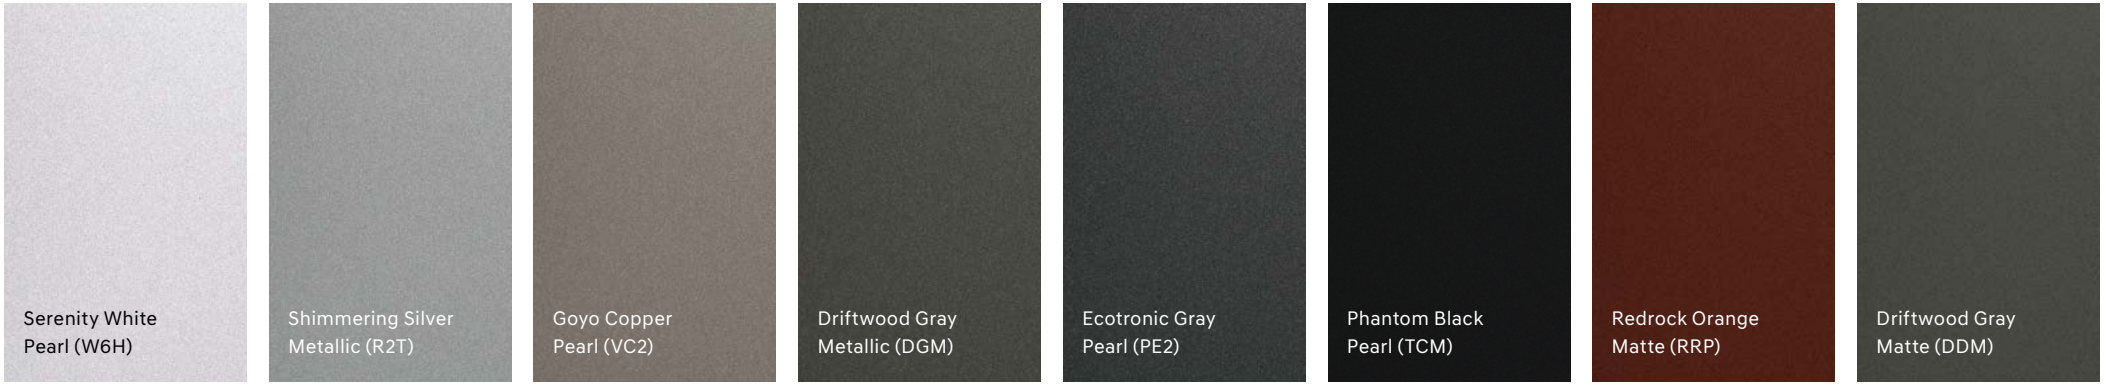

Rear Cross-Traffic Collision-avoidance Assist

* Since the advanced driver assistance system (ADAS) is a function that assists the driver's operation, always drive with caution. * The function may not operate smoothly or properly depending on the surrounding environment and driving conditions. In addition, the function may operate with restrictions depending on the regulation related to the certification of the advanced driver assistance system. For details, refer to the owner's manual.
* The above specifications are applied differently depending on the trim, powertrain, and specifications directly selected by the vehicle purchaser in consideration of price and preference.

TUCSON Hybrid Warranties	
Warranty for Hybrid parts	**10-year/200,000-kilometer warranty** - Electric motor, Hybrid high-voltage battery HPCU (Hybrid Power Control Unit)

※ The benefits offered through the warranties above may be subject to change.
※ Contact a branch or dealership for details.
※ The warranty period starts from the date of new vehicle sale and expires when either the specified period or mileage is reached, whichever comes first.

Maintain a constant speed to drive more efficiently.

-The fuel economy described above is based on the standard model and may differ during actual driving depending on road conditions, driving technique, cargo load, vehicle maintenance, and outdoor temperature.
-Some of the images presented here include optional specifications, so their appearance may differ from the car you purchase. -The specifications, colors, and sources presented here may be modified to improve vehicle exterior and performance.
-The engine performance described above is the "Net Number," a new measure reflecting exhaust resistance that complies with legislation enforced by Korea's Ministry of Land and Transport since 1997. It can be marginally lower than "Gross Output Number," the previous measurement.
-Leather seats include some synthetic leather. -Vehicle colors presented here may differ from actual appearance. -Hyundai Motor Company is committed to fair trade practices, with the same price and quality of vehicles nationwide.
-Use of engine oil or fuel that is of low quality may result in damage to the vehicle. -For more information about the new technologies and specifications described in this brochure, please refer to a user's manual.
