 If the price list differs from the Korean price list, please check the contents of the Korean price list first.

※ The price after tax incentives is an estimated figure reflecting the incentive benefits, based on the assumption that the vehicle meets the eco-friendly automobile standards pursuant to the "Act on Development and Promotion of Popularization of Environment-Friendly Automobiles."
 The final vehicle price may vary depending on whether the vehicle fully satisfies these eco-friendly automobile criteria.
 ※ The final purchase price may vary depending on the selection of optional items; therefore, please ensure to review the official quotation.
 ※ The items (specifications, colors, etc.) and prices listed in this pricing table are subject to change without prior notice depending on the holding of new car launch events, improvements made in automobile performance, introduction of related laws and regulations, and changes in company circumstances.
